Dear Madam

Rockseries Maths Programme

Thank you for availing yourself to meet with the relevant officials of the department.

Note that the department confirms the following emanating from the meeting:

1. The Rock Series software has been evaluated and has been approved and is contained in the GDE e- learning catalogue that has been distributed to all schools.
2. The company is responsible for promoting the product to create greater awareness within departmental policy through the School Governing Bodies at schools.

Thank you for your interest in education.

Yours faithfully

Len Davids
Deputy Director General
